

# SKY KISSES

Key of F      DADGAD @ 3<sup>rd</sup>  
Instrumental (chorus)

**D** Look a big white **A7** kiss  
Smooching **D** down,  
Over Locking **A7** Stumps.  
Is it you **D** love?  
**G** Forget-me-**A7** knots  
All a **D** round.  
**G** Sending these **A7** signs,  
To me, love **D** shines.

## CHORUS

**D** Criss cross in the **A7** sky  
Sky kisses from you **D** love  
Jet streams **E7** o'er the sea.  
Sky **A7** kiss just for **D** me

Sunset strawberry, a minty moon,  
White bird on the rocks, standing guard.  
Signs follow me, they sing a tune  
My lovely love, up above.

## Chorus

Instrumental (chorus)

## Bridge

**Bm** Woodland wicker **A7** bed  
Mother and **D** daughter  
Hovering **A7** high,  
Over the oak  
One sky **D** kiss.

## Chorus

Signs are there for us, look and find,  
The flicker of a flame, a butterfly,  
And stars in the night, don't be blind.  
Our wonderful minds, help us see the signs.

## Chorus.
